37/2024 Chairman's Welcome and Agenda item. Electrical Repairs to Jubilee Hall.

The need for electrical work to ensure safety at Jubilee Hall has been identified by CECA. Lighting at designated fire escape points is inadequate and unsafe, particularly at the rear of the building and toward the path running alongside the playing field. In the event of a building evacuation there is a high risk that people would trip and fall in the dark when using fire exits. The work consists of replacing 6 outside lights, change the emergency light above front door, install bulkhead light at rear fire door and carry out a test and inspection of the electrical installation at Jubilee Hall. The total cost of the work is £890.
The Parish Council considered the above.

RESOLVED: PC to contribute £750 to CECA in respect of the work carried out.

38/2024 Date of next meeting.

Members are asked to note the next meeting of Childs Ercall Parish Council is scheduled to be held on Wednesday March 20th 2024 at 7.00pm in the Jubilee Hall.
